

## Says

What have we heard them say?
What can we imagine them saying?

What are their wants, needs, hopes, and dreams? What other thoughts might influence their behavior?

Population and Facilities available in metropolitan areas of India.

Collecting the data of different housing prices in metropolitan areas of india.

Arranging the collected data.

Check if the housing area is capable of living.

Check that which houses are available at low prices.

To check the neighbourhood at the house we choosed.

**Thinks** 

Manimozhi

First, select the metropolitan cities in India. Collecting the raw data of the housing areas in the metropolitan cities we selected.

Filter the raw data we collected and analyse it.

The fear of high house rent.

The anxiety of due dates.

The frustruation of jobs and neighbour.

## Does

What behavior have we observed? What can we imagine them doing?

Feels

What are their fears, frustrations, and anxieties? What other feelings might influence their behavior?
